

Endless Domains Affiliate Program Guide

This document provides a step-by-step overview of how to become an affiliate with Endless Domains and begin earning commissions on domain purchases made through your referral.

1. Affiliate Program Overview

The Endless Domains Affiliate Program allows approved users to earn commissions by sharing referral links tied to their unique affiliate keys. Every time someone purchases a domain using your link, you earn rewards based on assigned commission rates.

2. How to Become an Affiliate

Follow the steps below to register and get started:

1. Register yourself using the official signup link and provide required details such as name, social reach, and social media handles.
2. After registration, you will receive a verification email — click the link to verify your email address.
3. Once verified, your application will undergo review to determine eligibility.
4. After review, you will receive an approval or rejection email. If approved, you gain access to the Affiliate Dashboard inside the Endless Domains website.

3. Accessing the Affiliate Dashboard

Once approved, follow the steps below to access your dashboard:

5. Log in to Endless Domains using the email and password created during registration.
6. Click on the dropdown menu and select 'Affiliate Dashboard'.
7. You are now ready to request and manage affiliate keys.

4. Generating an Affiliate Key

To start sharing referral links, generate an affiliate key using the following steps:

8. Inside the dashboard, click on 'Generate New Key'.
9. Enter a Key Name (e.g., youtube-share).
10. Add a description explaining where and why you plan to share (e.g., promoting via YouTube channel).
11. Submit the request for admin review.

After submission, the admin will assign your commission % and discount % based on your reach and description.

5. Key Activation & Sharing

Once the admin approves your key:

- You will receive an email confirming activation.

- Your key will become active in the dashboard.
- You can start sharing the referral link across social platforms or other channels.
- You will earn commission on every successful domain purchase made through your link.

6. Tracking & Insights

Within the dashboard, affiliates can access data such as:

- Traffic analytics
- Referral-based sales
- Commission earned
- Performance insights per key

You can generate multiple affiliate keys to track performance across different platforms for precise data monitoring.
